When competitively playing hockey 2 plus times a week, we strongly suggest you buy a second pair of runners while your other pair of runners are in the mail. And for the ultimate in skating performance, we recommend the Maximum Edge profiling in addition to sharpening.

Skate sharpening costs: Hockey & Goaler \$17, ME Profiling \$85 and Figure or Dance blades range from \$28-45.

\* \$5 charge on new steel sharpening not purchased from WESTSIDE SKATE & STICK.
